Description

Welcome to Kings Crossing by award winning Cressey Developments. This modern and sleek one bedroom and den boasts panoramic views over the lower mainland. It comes well equipped with a gourmet kitchen complete with 5 burners gas cook-top, undermount oven and lots of countertop space (and don't forget that wine fridge!). Stunning Spa-like bathroom with walk-in shower and double vanity sinks, generous balcony, and good sized bedroom. The building has state of the art amenities which include an multipurpose gym, basketball/squash courts, amphitheatre, lounge, and steam/sauna room. Good sized locker and one parking stall included. Rentals and Pets allowed too. An awesome location just moments away from the SkyTrain and the shops are just downstairs. Call now to view, you'll be impressed!
